As usual, the finances of the Board are unsatisfactory and it is a point for consideration whether a lesser sum of about Rs 500/ may not be sanctioned, in the circs of the case.

Deputy Commissioner,
Tumkur Dist-

Letter dated 12th August 1936 from the Secretary, Harijan Seva Sangha, Bangalore, to the president, District Board, Tumkur District.

With reference to the letter from the Government disallowing the sanction of a grant of Rs 1000/- to the Harijan Ashram at Tumkur, which your Board was kind enough to make and asking for the need for making such a large grant to the Sangha, I have the honour to submit that as was explained in our application to you dated 4th October 1935, the Sangha desires to start the Ashram in Tumkur with the following objects:-

1. Industrial Section: To create a centre for giving -- training to Harijans in simple industries like shoe-making, leather work, button-making, bee-keeping and poultry farming.
2. Propaganda Section:- This centre will also maintain a worker who will carry on propaganda for better living amongst the Harijans and organise Bhajanas, conferences during jathras and festivals, investigate the need for Harijan wells, induce the Harijan parents to send their children to the schools etc.
3. A Hostel Section:- This centre will also provide -- boarding and lodging to the Adi-Karnataka students studying in the Government schools and also to those who take training in our industrial section as well as in the Government and other industrial schools in Tumkur. The students will also be trained in rendering social service to their community during the vacation.

Thus the Ashram will serve as a centre for the economical, educational and moral service to the Harijans in Tumkur District The Sangha thanks the District Board for their very generous grant of Rs 1000/-. We have another Rs 1000/- from the Gandhi Purse Fund and as soon as the Municipality gives us the site, which also fortunately has been situated next to the big Harijan colony in Koti Tope, we shall begin the construction and collect further donations from the public.

In view of all the great usefulness of the institution the Sangha requests the Government to kindly sanction the grant by the Board.

Thanking you.
